

Located in the heart of sunny South Florida near Fort Lauderdale and Miami, Broward College provides a safe environment for local and international students.

Students choose a course of study from more than 60 academic programs in eight career-related pathways:

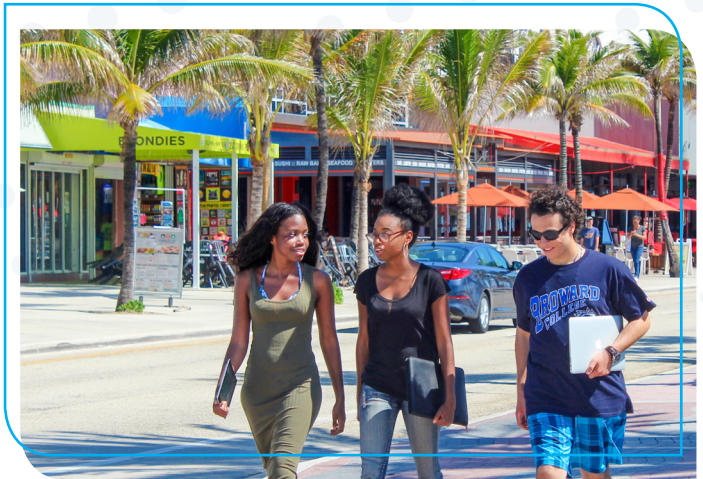

- Arts, Humanities, Communication & Design
- Business
- Education
- Health Sciences
- Industry, Manufacturing, Construction & Transportation
- Public Safety
- Social Behavioral Sciences & Human Services
- STEM (Science, Technology, Engineering & Math)

2+2 TRANSFER PROGRAM

Students in the 2+2 Transfer Program can save tens of thousands of dollars on their education by completing their first two years of study at Broward College. Local and international students who have completed their AA or specific AS degrees from Broward College are guaranteed admission to one of our partner four-year universities to pursue a bachelor's degree.

- Arizona State University
- Florida Atlantic University
- Florida International University
- Florida State University
- University of Central Florida
- University of Florida
- University of South Florida
- ...and more!

SUCCEED EVERYWHERE

Each year, more than 63,000 students attend classes at one of Broward College's three campuses and five centers in Broward County.

Named one of the Top 10 Colleges in the Nation in 2019 by the prestigious Aspen Institute, Broward College welcomes students from more than 150 countries, including over 700 international students studying under the F1 visa program.

*The average cost per semester for international students at Broward College is **ONLY \$5,000 USD** for tuition and books! (prices subject to change)*

ENGLISH FOR ACADEMIC PURPOSES

This program is designed to help students improve their English in an academic setting. It is ideal for high school graduates as well as students seeking entry into a U.S. graduate school to develop the English language skills needed to succeed.
