ONLINE

Learn anytime, anywhere

Online learning allows you to attend classes when it's convenient for you from the location of your choice. Some courses require proctored testing. To learn online from anywhere you must have access to a laptop or desktop computer with webcam, microphone and an internet connection capable of streaming video.

HYBRID

Blended learning

Hybrid courses combine the flexibility of online learning with in-person class meetings at scheduled times. Scheduled in-person class meeting times are reduced for hybrid courses because some of the course is taught online. To learn online from anywhere you must have access to a laptop or desktop computer with webcam, microphone and an internet connection capable of streaming video.
