### Northwest's Master of Business Administration graduates' success

Northwest MBA graduates hold positions from analysts at the Federal Reserve Bank in Kansas City to project managers at Gallup in Omaha. The MBA program merges content-based learning with contemporary insight to refine professional knowledge, skills and abilities. The teamwork opportunities, along with the analytical, reasoning and managerial skills taught in the program, have enabled Northwest MBA graduates to accomplish tremendous success.

**Master of Business Administration**
**PROGRAM REQUIREMENTS**

The MBA program consists of 10 courses and can be completed in four terms. The program is open to anyone with an undergraduate degree from an accredited college or university. Applicants to the MBA program who do not have a bachelor's degree in business are required to successfully complete the MBA Business Foundation course, MGMT 54201, before taking MBA courses. This online course must be completed before arrival.

**ON-CAMPUS WORK OPPORTUNITIES**

Graduate assistantships are available on a limited basis to students who prove themselves in their first term at Northwest. Graduate assistantships provide 20 hours of work per week with a stipend and tuition waiver.

In addition, some student employment opportunities are available campus wide where students may be hired to work up to 20 hours per week and are paid on an hourly basis. These opportunities are more readily accessible to students who have been in attendance for at least one term.

**OPT Placement**

Typical job placements for international MBA graduates

- Account manager
- Business analyst
- Staff accountant
- Account manager
- SAP consultant

Median salary: \$55,000 (Dec. 2013 to July 2020)

Complete placement information for all graduates can be found in the Post-Graduation Data on our Career Services website. [nwmissouri.edu/csis/programs/graduate/msis.htm](http://nwmissouri.edu/csis/programs/graduate/msis.htm)
