

The UNF Master of Business Administration (MBA) program equips you with a strategic, global perspective on business, and sharpens your ability to approach challenges from a variety of perspectives.

Designed with flexibility in mind, you can pursue the MBA at your pace. Prepare to advance as a business leader and make a meaningful, immediate impact on your work and career. Professors apply academic theory to real-world scenarios, integrating practical applications.

This 36-credit hour, 12 course program is part of the Coggin Graduate Program in the Coggin College of Business, which holds AACSB Accreditation. The program offers 11 concentrations or a general business track.

UNF Coggin College of Business faculty are on the cutting-edge of business, bringing those insights into the classroom to equip you with the skills needed to maintain a competitive edge. Combined with a network of industry connections and Jacksonville's vast business community, there is no better place than the UNF MBA.
