

The UNF Master of Science in Logistics and Supply Chain Management (MSLSCM) program provides you with the tools necessary to be competitive in the high-growth logistics field.

As one of only two such degree programs in the state of Florida, this 32-credit hour, 10 course program is part of the Transportation & Logistics Flagship Program in the Coggin College of Business, which holds AACSB Accreditation.

Offering flexible engagement options for attending on-campus, remotely via telepresence, or online via recorded lecture, this program is built to fit into your life and work schedule.

BLENDFLEX AND ONLINE COURSEWORK OPTIONS | 20 MONTHS
